

External PSU 15W

Art. No. 58920040

INSTA UK | E4P

Product features

IP66

- Exterior rated IP66 LED PSU with 2pin socket for light points.
- 2m Secondary output cable with socket
- 1 meter input cable with free wire ends

Technical Data

Rated voltage AC	230 / 240V	Secondary voltage	approx. 28V DC SELV
Main Frequency	50/60Hz	Ambient temperature t_a	max. 45 °C
Rated voltage DC	220 / 240 V	Secondary lead	max. 30m
Power range DC	15 W SELV	Short-circuit protection	electronic
Secondary current	max. 530mA	No-load operation	yes
Number of light points	max. 18	Housing type	plastic
Protection class	I	Plug connector	Free wire ends
IP rating	IP66	Dimensions	130 x 130 x 75 mm
